The purpose of these scholarships is to provide financial support for a college student from Virginia or the Carolinas pursuing Music or Dance studies at an accredited college, university or school of the performing arts. Preference will be given to students studying African, jazz or modern dance.

Qualifying requirements for potential candidates:

1. A minimum of 3 years dance experience (e.g. modern, jazz, African or ballet) prior to College and a minimum of two prior choreographed performances.
2. Must have been accepted into a four-year college, university or school of performing arts to pursue a major or minor in dance performance or choreography.
3. Must agree to demonstrate the skills sets under requirement #1 to the scholarship committee via a videotaped presentation, e.g. displaying their ability to choreograph and perform a 10-minute dance piece performed to jazz, African or other contemporary music genre.
4. Candidates must have a cumulative grade point average of 2.75 or higher.
5. Candidates will be required to submit written recommendations from two dance instructors, coaches or choreographers.
